Series for August 14-September 4

The Book of Ruth: The Next Right Step

The book of Ruth is a four chapter gem in our Old Testament. The story it tells takes place during the same period of time as the book of Judges (which we explored in our last series.) In contrast to Israel's downward spiral in Judges, Ruth tells of a story of the faithful remnant, and the difference their faithfulness makes in the world around them.

Today: Ruth Chapter 1

The first chapter of Ruth is often glossed over as "just the setting" of the book. However, even in its brevity, this chapter has a story to tell and a lesson to teach.
