Current Series: Genesis: Starting Over

This series walks through the creation, fall, and redemption narrative of Genesis to see how God "started over" when creation went awry. Lessons from this series will help us understand the journey through life that God calls us on, especially when we need a new beginning with Jesus.

Today: Genesis 18:16-32

Lot has gone his own way, but Abraham never stops looking out for him. When Lot becomes a prisoner of war, Abraham takes on kings and armies to stage a rescue. Later, he discovers that Lot's home town of Sodom is under threat of destruction and takes on God himself to rescue the city.

Songs:

Our Mission

After His resurrection, Jesus gave his disciples this mission:
"...go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."
(Mt 28:19-20)

Our purpose is to "grow disciples who make a difference."
