## Blessing Trees

As we continue to care for our community, we would like to collect and distribute some warm weather items they may need. We have kept our Christmas trees up in both buildings and will use them as blessing trees. We are asking for donations that can go on or under the trees, which we can distribute to our community members in need. The following items would be of use: Small containers of sun screen & aloe, Sunglasses, cooling rags, reusable water bottles, drink packets, hats, handheld fans (w/batteries), umbrellas, lip balm, bug spray, etc.
